FORMAT:

In each match, the handicaps of all four players are reduced by the handicap of the lowest handicapped player, who shall then play from scratch. Each of the other three players is allowed 100% of the resulting difference.

Using the adjusted handicaps, all scores are net on a hole-by-hole basis. A team can win two points on a given hole when their net best-ball score beats the opponent's net best-ball score and their net worst-ball score beats the opponent's net worst-ball score.

A team can win one point when either their net best-ball or net worst-ball score beats the opponent and the other score is halved.

Round One Winners compete against each other in the second round. Winners of the second round compete for the Upper-Bracket Championship in Round Three in each flight.

Round One Losers compete against each other in the second round. The Winners of these matches advance to the Third Round in Lower Bracket competition while the Losers are eliminated, but may continue in the Sunday skins game.

In Round Three, Upper-Bracket Losers of the second round compete against Lower-Bracket Winners of the second round.

Prizes will be awarded to the Winners & Runners-up in the Upper-Bracket and the surviving two teams in the Lower-Bracket.

WIN TWO OUT OF THREE MATCHES TO WIN CASH.
